run
behind the church and down the hill
under the cross where time's stnading still
paying dues for your troubled mind
trying to lose what you dought to find
sooner or later you're gonna hear a sound
picks you back off the ground
that holds you and lifts you
open your eyes and close your back door
there is a sign on top of your shoulder
telling
shake them down
shake them down
shake them down, yeah
break it down
break it down
hey old man thanks for coming around
break it down, yeah
dedl dum dedl day em day
be still for the peace to be found
run, run, run
sooner or later you're gonna hear a sound
that holds you and lifts you
dedl dum dedl dem dum em day
picks you back off the ground
open your eyes and close your back door
there is a sign on top of your shoulder
shake them down
telling
shake them down
shake them down, yeah
hey old man thanks for coming around
break it down
break it down
break it down, yeah
be still for the peace to be found
countless voices calling
myths and legends ending
in your mind
fears are answering the pain
moving 'round again
moving 'round again

moving 'round
moving 'round
moving 'round again
shake them down, yeah
