20 days, and 20 nights
Just the silence, and the neon lights
Hungry for, the sight of you
Yeah I'm starving, in this empty room

Who is she, what's her name?
Yeah talk to me, say something

[Chorus 1]
I don't want my old records back
My Ozzy t-shirt, or my Yankees cap
All I wanted, was to talk to you
Say something - say something

I'm not fine, I'm not o.k.
Cause I'm still, the one you threw away
I'm not your tramp, I'm not your friend
And there ain't no going back again

She don't love you, like I do
Yeah what the hell, is wrong with you?

[Chorus 2]
I don't want my old records back
My Ozzy t-shirt, or my Yankees cap
All I wanted, was to talk to you
Say something - say something
Keep the pictures, of the happier days
I can't stand, to watch them anyways
All I wanted, was to talk to you
Say something - say something

(Say something, say something, say something)
(Say something, say something)
(Say something) say something, all right

She'll never love you, like I do
I just wanted, to talk to you

[Chorus 2]
I don't want my old records back
My Ozzy t-shirt, or my Yankees cap

All I wanted, was to talk to you
Say something - say something
Keep the pictures, of the happier days
I can't stand, to watch them anyways
All I wanted, was to talk to you
Say something - say something

Say something (say something)
Say something (say something)
Say something (say something)
Say something
