C'mon Legend, C'mon and hold me
C'mon Thinker, C'mon scold me
Never sanction too many answers
Wake my hunger
And know that I'm there

See me now
And boy I'll see you there
I'm a sinner like you
You don't seem to care
Seven sinners said it
It's sailing in the air
I'm a sinner like you
You don't seem to care

C'mon baby, no need to ask
C'mon legend, nobody said that I'm there

(repeat chorus)

Oh God I think it's the devil in here
Old dog is sailing in the air
Hungry with something
Maybe us in mind
Oh God I'm losing my mind

I'm a sinner like you
Love me if you dare
I'm a sinner like you
You don't seem to care
Seven sinners said it
Only if you dare
I'm a sinner like you
You don't seem to care.
