She combs her hair & cleans her face  
Closes the door & kneels to pray  
It don't matter that she's alone  
Beast or dragons she's going home  
If I lay me down  
Bow my head unto the ground  
Would you heal my skin  
& these blisters within My skin

She found today  
So hard to say  
I sweat the sheets  
Too tired to play  
& it don't matter  
Cause I'm still alive  
Beast or Dragons  
Won't make me hide  
Make me hide, make me hide,

If I lay me down  
Bow my head unto the ground  
Would you heal my skin  
& these blisters within, blisters within My skin

Another way  
I just can't find the words to say  
Cold where I lay  
It's cold where I lay  
Bones cracked to clay  
A killer's in the way  
And hot is my shame  
Fire pulls my veins  
For never is my name  
Forever in my shame  
Holy come heal me  
Solely, delivery delivery

If I lay me down  
Bow my head unto the ground  
Would you heal my skin  
& these blisters within...

If I lay me down  
Bow my head unto the ground  
Would you heal my skin  
& these blisters within, blisters within my skin
