When you can't find the light  
that guides through a cloudy day

When the stars ain't shinin' bright  
you feel like you've lost your way

When the candle lights of home  
burns so very far away

Well, you got to let your  
Soulshine  
just like my mamma  
used to say

She used to say Soulshine  
it's better than sunshine

It's better than moonshine  
Damn sure better than rain

And if the people don't  
mind  
we all feel this way  
sometimes

You gotta let your  
Soulshine  
shine till the break of day

Growing up I thought I had  
it made  
I could make it on my own

But life can take the  
strongest man  
make him feel so alone

Now sometimes I feel the  
cold wind  
blowing through my achin'  
bones

I think back to what my  
daddy said  
He said: girl, it's the darkest  
before the dawn...

Let your Soulshine  
it's better than sunshine

It's better than moonshine  
Damn sure better than rain

If the people don't mind  
we all feel this way  
sometimes

You got to let your  
soulshine  
shine till the break of day

Sometimes a man can feel  
this emptiness

Like a woman has robbed  
him of his very soul

And a woman too, God  
knows,  
she can feel like this

And when your world  
seems cold  
you got to let your spirit  
take control

Got to let your Soulshine  
it's better than sunshine

It's better than moonshine  
Damn sure better than rain

And if the people don't  
mind  
we all feel this way  
sometimes

You got to let your  
Soulshine  
shine till the break of day

You got to let your

Soulshine

Shiine  
till the break of  
daayayaay!
