Lost scene...

massakasama ni ochiru naraku e to
kankaku ga togireteiku...

Lost scene...

tsumiageta subete wo kowashitakatta genjitsu mo kimi
made mo
sashinoberu ude sae mo fuminijitta zangai ga itami
tsukeru

Shinzou wo hebi ga tsukami abareru myaku wo
kuichigiru ah...
itami wo komete...

Kanashimi dake no karada wo nigui suteta
kakegae no nai kioku wo nuritsubushite...

Lost scene...

haizuri mawaru genjitsu ni kimi no zanzou ga ukabi
agaru

Shinzou wo hebi ga tsukami abareru myaku wo
kuichigiru ah...
itami wo komete...

Kodoku ni mieta sekai ga utsushi miseta
namida ni sakare kuzureta kimi no sakebi

What have we lost, and seen in all of this time?
What will we achieve, as we lose as much ever more?

Yume kara samete daremo ga sakebi nagara
"ikiru" tame no kizuato wo sagashiteita
kodoku wo miseta sekai wa tsugunaenai
subete no kimi wo... itami wo kizami tsukete...

What will we achieve, as we lose as much ever more?
