Love and hate myself
There're perfect senses
Love and hate myself
An overflowing avarice

Although it is not perfect... Ore wo karakara warau
I envy your perfection... Just let me be... No dirty tricks

Fuck you... Cry out...
Nobody can fill my ego
Nobody can violate me
Nobody can do my style
Therefore... I say...

Mukankaku ni...
Baramake tane wo tsuki ni noboru ego no kairaku
Nee kimi no yurikago de yurashite kirei na prostitute

Love and hate myself
There're anger senses
Love and hate myself
An overflowing idea

Although it is not perfect... Ore wo karakara warau
I envy your honesty
Don't look at my face

Nobody can fill my ego
Nobody can violate me
Nobody can do my style
Therefore... So...

Yoru...
Kimi to toke au tsuki wo suberu kanzen na kouji
Nee kimi no yurikago de nurashite ore dake no
prostitute

I will dominate your fucker ass with sex
Sex might be the only thing that
I can dominate with
What the fuck, fuck it, just fuck' em all!!

Just don't fuck with me, mother fuckers die

Mukankaku ni...

Baramake tane wo tsuki ni noboru ego no kairaku
Nee kimi no yurikago de yurashite kirei na prostitute

Yoru...

Foreteller of the moon, lead me by your guidance
If not sleep in silence
