Koroshiai aishiau orokana chikaranaki kono mi to kugai
no kami no kotachi yo
Dakuse ni oboreru nara hitotsu tsugete okou yokubou
ga uzumakiite iru...

That's the way it is. i'm tired of the world...
If i could fly away from all this pain
That's the way it is. i'm tired of the world...
I wither away and die...wrench my wings and arms

That's the way it is. i'm tired of the world...
Cryed out for help me in the dark...
That's the way it is. i'm tired of the world...
I wither away and die...wrench my wings and arms

I wanna freedom... you wanna freedom...

That's the way it is. i'm tired of the world...
This world bound by rules...breakup!...breakup!
That's the way it is. i'm tired of the world...
I wither away and die...wrench my wings and arms

I wanna freedom... you wanna freedom...

Genmetsu no hiai sae kanjinu hodo ni kankaku made
kimi wo yugamasete miseru
Tatoeba kimi ga shindara nani wo motome? nan no
tame ni? umare kawaru no ka...

I wanna freedom... you wanna freedom...

Koroshiai aishiau orokana chikaranaki kono mi to kugai
