Oboreru yokubou wo kazasu chou
Rasen ni mi wo yudane mushibamareta

I can't but lying
In my head fuckin' noise
Mind will break up
Bara maita uso ga kokoro wo kowashita...

I wanna flake out, flake out
Furishikiru yuuutsu
Baransu wo nakushiteiku kankaku
Tenbin no you ni...

Taenai nageki wo tsunagu chou
Fuhai no hane hiroge tsuiraku shita

I can't but lying
In my head fuckin' noise
Mind will break up
Hagare ochiru kao fureru tabi kuzureta...

I wanna flake out, flake out
Kudake chiru subete ga
Shinjitsu wo kakusu yowasa hagareta
Kamen no you ni
Somewhere crying
What is "truth"?
Tell me...
What is "truth"?
Liar liar...
Like a masquerade

The truth is veil under the lie
On the verge of sadness
Th truth is veil under the lie
On the verge of madness now

Flake out, flake out
Furishikiru yuuutsu
Baransu wo nakushiteiku kankaku
Tenbin no you ni

Somewhere crying
What is "truth"?
Tell me...
What is "truth"?
Liar liar...
Like a masquerade
Crying...
What is "truth"?
Tell me...
What is "truth"?
