NO PAIN NO GAIN when you believe, you're betrayed  
NO PAIN NO GAIN when you give, you have taken away

ALL FAKE ALL LIE those sacrificed aren't to be pitied  
ALL FAKE ALL LIE they're just the foolish ones.

I SHOULD JUST ASK FOR WHAT THIS WORLD WHERE IT  
HAD ROTTED  
Don't wanna get hurt, so again I taint another with  
despair.

if there's a light to show me the way,  
I could easilly discard  
the tattered love, the dead people, the wounds of the  
past  
afraid of the weakness we all hide,  
I want you, I hurt you and I struggle.

NO PAIN NO GAIN I've made up my mind to die so many  
times.  
NO PAIN NO GAIN and all that's come of it are more  
and more ugly scars.

I SHOULD JUST ASK FOR WHAT THIS WORLD WHERE IT  
HAD ROTTED  
Maybe I'm just looking for someone to "take nest" in  
my heart.

I can no longer keep running away.  
Even if I'm put down  
by their wants, their hidden desires, their traps, their  
jeers.  
everytime I get near the answer,  
I'm run through by the red wounds, the black lies, the  
white memory.

oh filthy hypocrites I brush by in this dead world  
do you hear the screams of my anguish, my hatred?

I SHOULD JUST ASK FOR WHAT THIS WORLD WHERE IT  
HAD ROTTED

I miserably came to feel, "Is this reality?"

If I felt no pain  
could easilly discard  
the tattered love, the dead people, the wounds of the  
past  
afraid of the weakness we all hide,  
I want you, I hurt you

From that day I took you in my arms,  
I've tragically made you into a lie  
and now when we pass each other by  
I lost sight of the glimmer we once both saw.
