Back stage at the Barroom Graham  
One cool Jack in her hand  
Barbie can't believe the stars in her eyes, no!

It looks like time done took its toll  
She lays 'em up and she doin' the stroll  
Lord it's rough when you cut them down to size, yeah!

I got my shoes on  
My new suede blues on  
Well don't stop me now, I'm doin' d'stroll, yeah!

I'm tired of a walkin'  
I'm tired of a talkin'  
Well don't stop me now, I'm doin d'stroll, yeah!  
D'stroll!

He never, ever met a girl like this  
She never, ever had been kissed  
No holiday inns or holiday outs for her.

The morning at the cigarette  
She's still wrapped up in last nights set  
Now she's down to just one star in her eyes, yeah!

I got my shoes on  
My new suede blues on  
Don't stop me now, I'm doin' d'stroll, yeah!

Well I'm tired of a walkin'  
Well I'm tired of a talkin'  
Don't stop me now, I'm doin d'stroll, yeah!  
D'stroll!

I got my shoes on  
My new suede blues on  
Don't stop me now, I'm doin' d'stroll, yeah!

Well I'm tired of a walkin'  
Well I'm tired of a talkin'  
Don't stop me now, I'm doin' d'stroll, yeah!

I got my shoes on  
My new suede blues on  
Don't stop me now, Honey, I'm doin' d'stroll!

Well I'm tired of a walkin'  
Well I'm tired of a talkin'  
Well don't stop me now, I'm doin' d'stroll, woah!  
Stroll it out boys!
