When I saw you standing in the rain  
I couldn't get much wetter  
I was feeling no pain  
I said Mr. Daniels can't you see  
You know you really got a hold on me  
I can't stay but I can't let go  
I'm telling you babe I'm a Hi 'N' Lo

I don't even know your name  
I don't even know your name

Thinking back to the very first time  
Well you were there with me  
And she looked oh so fine  
But then you played a dirty trick on me  
Sure that's alright cos' next time it's gonna be twice as  
good as this  
Then she gave me a kiss  
But that wouldn't do no thanks to you

S, S, Prrriest.....

Roll on time, just don't roll over me  
See, see I was too slick to trick the timeless parody  
Hey, uncle Jack have you heard the news I just put  
cleets on my blue suede shoes  
It's a brand new game, I might change my name  
And no one's ever gonna be the same

I don't even know your name  
I don't even know your name  
I don't even know your name  
Honey, I don't even know your name

Yeah....Yeah....Yeah.....
