Down on the street
Tonights the night, weve been waiting for,
A time to sing and dance like never before,
The streets alive with such a carnival air,
An all-night dancin party everywhere
You and I, were happy to be,
Just a part of this crazy scene.
Down on the street,
Shoutin, talkin, laughin, down on the street
Down on the street,
Snappin fingers dancin, down on the street,
Down on the street,
Shoutin, talkin, laughin, down on the street
Down on the street.
Tonights the night, you'll never forget,
The best time in your life you'll ever get,
New lovers meet as they dance through the night,
The moonlight falls on this magical sight.
You and I, were happy to be,
Just a part of this crazy scene.
Down on the street,
Shoutin, talkin, laughin, down on the street
Down on the street,
Snappin fingers dancin, down on the street,
Down on the street,
Shoutin, talkin, laughin, down on the street
Down on the street.
