Give it all back
You're my hood, my motherhood
That I wear above all else
You're my oldest guilt, my wall, my source
My greatest weakness and my force
You will never cease to be
My superiour directory
Someone upon whom it all depends
My mother and my most peculiar friend
And I'll give it all back to you
I'll give it all back to you
All your unconditional love
I'll give it all back to you
I love you in the deepest way
And I see your good and bad
The girlish smile you still possess
Your smartness and your passionate ways
At times like someone strange to me
And yet my oldest memory
Someone upon whom it all depends
My mother and my most peculiar friend
The way you stay the way you are
Gives me a home
A home for my soul
