Hey kid... I got something to tell ya  
One day I'll be gone and I'll miss you  
Hey you... I gotta tell ya  
Your dreams will come true... Oh they do

[Chorus:]

All of my life... singing the songs  
Closing a dream... why I keep moving on  
All of my life... I keep going on and on

Will you miss me when I'm gone?  
Don't forget me... don't you know  
Say you are with me... say you are  
Will you miss me when I'm gone?

Gonna make me cry... oh, cry  
Babe I need you every day  
Wanna love you... oh don't you know  
Things can't stay this way

[Chorus]

Will you miss me when I'm gone?  
Don't forget me... don't you know  
Say you are with me... say you are  
Will you miss me when I'm gone?

[Chorus]

Will you miss me when I'm gone?  
Don't forget me... don't you know  
Say you are with me... say you are  
Will you miss me when I'm gone?
