I follow the currents
Follow the winds tonight
Wagging tail, like a happy puppy
Sensitive as a child

Yesterday's been shot up to the moon
I'm not looking for stars above
I'm only looking for someone to love

And all of the time
I'm spinning to these daydreams
Hey, I don't mind 'cause
I am who I am and I did what I did

All of the time
I'm falling into this mayhem
But I don't mind 'cause
I get what I deserve

I'm not really thinking,
Not really making plans
Just rolling onto the hidden tracks
And taking it as it comes

Everything and nothing is my aim
You may say that I'm just wasting time
I'm only liberal to what I'll find

And all of the time
I'm falling into these daydreams
Hey, I don't mind 'cause
I am who I am and I did what I did

And all of the time
I'm falling into this mayhem
But I don't mind 'cause

You shouldn't judge me for living like this
For a proposal or only a kiss
I know it's heavy and it's wearing me down
All of the, all of the, all of the time

All of the time
I'm spinning into these daydreams
Hey, I don't mind 'cause
I am who I am and I did what I did

And all of the time
I'm falling into this mayhem
But I don't mind 'cause
I get what I deserve

You gotta come to me
Tonight
I got you coming for me

I am just rollin' on.
