I'm all set tonight
I'm on the 917 flight
A lot of fun in store
And I don't think I can wait no more

I just can't wait
to get into the city
to meet up with my baby
and have a good time
I just can't wait
to get into the city
to meet up with my baby tonight

The runwaylights shine
And we are just in time
I've never felt so sure

And I don't think I can wait no more

In the electric night
my baby feels like I
Heads and hearts spinning 'round
when we go out together
That's why I waste no time
I've got him on my mind
Don't need no plane to fly;
tonight we're gonna fly with our souls
