Visit "[Sing My Name](#)" on MotoLyrics.com

sing my name
sing my name out loud
- louder

you were the first one to hold me
first one who told me
not to be afraid of it

you were the first one to hold me
first one who told me
not to be ashamed of it

beautiful, intimate, unafraid
always
you and me
on the same team we're gonna play again

you were the first one to touch me
first one to match me
i am giving in to you

you were the first one to touch me
first one to match me
not afraid of telling you

beautiful, intimate, unafraid
always
you and me
on the same team we're gonna play again

give me recognition
give me confidence
what i thought was dirty
is beautiful in your hands
