I can tell by your eyes
That you've probably been crying forever
And the stars in the sky
Don't mean nothing to you they're a mirror
I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart
Ohh my heart

If I stand all alone
Will the shadows hide the color of my heart
Blue
For the tears
Black
For the nights

Fears the stars on the sky don't mean nothing to you
They're a mirror
I don't wanna (blue) talk about it (black)
How you broke my heart
(Blue, black, blue, black)
If I stay, if I stay here
Won't you listen to my heart

I can tell by your eyes
That you've probably been crying forever
And the stars in the sky
Don't mean nothing to you they're a mirror
I don't wanna talk about it
How you broke my heart
If I stay here just a little bit longer
If I stay here won't you listen to my heart
Ohh my heart
