[Caveman]

With two suits, two tokens in hand,
I got no respect cuz I'm the new man,
got my shovel,
shoes full of sand,
check out the tag, the name is Caveman

[All]

Dig it uh oh oh,
Dig it
Dig it uh oh oh, (yeah)
Dig it uh oh oh,
Dig it
Dig it uh oh oh (yeah)

[Zig-Zag]

You've got to go and dig those holes,
with broken hands and withered soles,
and masipated (?) from all you know,
you've got to go and dig those holes

[Zero

Your hands may blister,
your muscles stay sore, (Oh yeah)
you wanna break?
knock on the wardens door (Oh yeah)

[All]

Dig it uh oh oh, yeah
Dig it uh oh oh, yeah
Dig it uh oh oh, yeah
Dig it uh oh oh, yeah
[fade into end

you've got to go and dig those holes (man i'm tired)
with broken hands and a withered soul's, emancipated
from all you know,
you've got to go and dig those holes

[Repeat chorus til' fade]

take a bad boy, make him dig all day
and now, the slower you dig, the longer you'll stay
