I've seen the fruits of rambling  
I know hardship well  
And if I'm not mistaken  
I hear a ringing bell  
I love to start but hate the ends  
I crack a joke 'coz I know I need my friends  
Do a lot of talking  
But seldom with my heart  
It hurts when people tell me  
I often play to smart  
But sometimes I'm happy  
And sometimes I'm blue  
You know, I'm only passing trough

A look to the sky is the reason why  
I'd rather live than die  
If heaven can wait I know I'll get by  
I'd rather live than die

I always say yes  
Though I mean no  
Remember to draw a circle  
And then I'll know  
Sometimes I'm happy  
Sometimes I'm blue  
You know, I'm only passing trough

A look to the sky is the reason why  
I'd rather live than die  
If heaven can wait I know I'll get by  
I'd rather live
