D-A-D
"Laugh 'n' A 1/2"

I learned politeness on my mother's knee..
I learned by uprightness my number of friends
Should increase...
- When I think about the things I've done...
I laugh out loud to noone ...
- Yeah, to noone..
- 'Coz it's so hard to meet the eyes that I see
When I try to open up my heart
There's something inside me'n'I know it's good...
- But understanding, it's misunderstood
At the end of a smile, there's a laugh'n'a 1/2
- But I became honest Mr. Mistaken
In spite of the curves my smile was makin'...
Bumpers and kickers in one big stream
I grew up in a life size pinball machine!
Yeah! - They're mean!.
'Coz it's so hard to meet the eyes that I see
When I try to open up my heart...
There's something inside me'n'I know it's good..
But understanding, it's misunderstood
At the end of a smile, there's a laugh'n'a 1/2
- On my behalf
There's something inside me and I know it's good...
But understanding, it's misunderstood
At the end of a smile, there's a laugh'n'a 1/2
- I tried to fill some silence -
'Coz the silence feels so long..
- I knew the ice was gettin' thinner
But I kept skating on!..
My mother threw me into this world as a winner
- But by the light of the yellow beer
They tell the jokes I'll never get to hear!!
- On my behalf
There's something inside me and I know it's good..
But understanding, it's misunderstood
At the end of a smile, there's a laugh'n'a 1/2
- On my behalf
There's something inside me and I know it's good
But understanding, it's misunderstood
At the end of a smile, there's a laugh'n'a 1/2
At the end of a smile, there's a laugh'n'a 1/2.
At the end of a smile, there's a laugh'n'a 1/2..

At the end of a smile, there's a laugh'n'a 1/2...
At the end of a smile, there's a laugh'n'a 1/2....
