allrights
A love story new and improved that I want her
Coz I've been - with a siamese twin - Siamese twin
Coz I've been - with my double friend
Coz I've been - with a siamese twin - Siamese twin
Coz I've been - with my double friend

Twin towers Happy Hours I love her
Coz I've been - with a siamese twin - Siamese twin
Yeah! I've been - with my double friend
