Yeah, c'mon!

Hey, there's nothing I hate in.

No, there's nothing I hate in..

- There's nothing I hate in the world like waitin'!!

And there're things in life I'd hate to be late in-

Yeah! I look at my watch'n'look at my wrist..

- And then I punch myself in the face with my fist!.

I blew out of bed to make it

- Tomorrow's today'n'it's already here..

It's like a disease; I can't shake it..

- Why don't we get this motor in gear?.

A smart boy can't tell ya'!

5 o'clock come and 5 o'clock's gone...

And the large and the little moves steadily on...

This has gone to far; we gotta rewind

- Or it's a 4 fisted brainstorm in the group-mind!

Yeah!

- See I'm so tired of waitin'

I build it up so big in my mind..

We've filled the places we've played in!

- How come we never make it on time?.

A smart boy can't tell ya'!

I'm always the 1st and they're always too late!..

A smart boy can't tell ya'!

- Did I pick the wrong day; did I pick the wrong date??

A smart boy can't tell ya!

Aren't u happy to see us; we're only 3 hours late!!

Yeah!

A smart boy can't tell ya!

A smart boy can't tell 'a!!

A smart boy can't tell ya!!!

C'mon! Look at your clock; - I think we've waited
enough

A smart boy can't tell 'ya!

I blew outa bed to make it

Tomorrow's today'n'it's already here!.

It's like a disease; I can't shake it..

- Why don't we get this motor in gear?.

A smart boy can't tell ya!

A smart boy can't tell ya!!

A smart boy can't tell ya!!!
A smart boy can't tell ya!!!!
A smart boy can't tell ya!!!!!
