I grew up under a stetson in Omaha...
But my mama she told me
I wouldn't go far
Now I'm out on the highway
Every night & day
Just driving the cattle
From N.Y. to L.A.

Me & my 18 wheeler
Across the USA
Me & my 18 wheeler
Every night & day

Now my mom & dad are proud to see
The stickers on my window
And my Disneyland tÂ·ee
The diesel engine take me away
Way across the USA

Chorus

Singing: Yiiiiipiiii - yiiiiipiiii yiiiiipiaai
This diesel engine takes me away
Singing: Yiiiiipiiii - yiiiiipiiii yiiiiipiaai
Way across the USA
