I saw my life this morning
Lying at the bottom of a drawer
All this stuff I'm saving
God knows what this junk is for

And whatever I believed in
This is all I have to show
What the hell were all reasons
For holding on for such dear life
Here's where I let go

Chorus
I'm not running
I'm not hiding
I'm not reaching
I'm just resting in the arms of the great wide open
Gonna pull my soul in
And I'm almost home

I saw you this morning
You were looking straight at me
From an ancient photograph
Stuck between letters and some keys

I was lost just for a moment
In the ache of old goodbyes
Sometimes all that we can know is
There's no such thing as no regrets
Baby it's all right

Repeat chorus

Instrumental

There's no such thing as no regrets
But baby it's alright

Repeat chorus
