Angel came down from heaven yesterday
She stayed with me just long enough to rescue me
And she told me a story yesterday
About the sweet love between the moon and the deep
blue sea
And then she spread her wings high over me
She said she's coming back, coming back tomorrow

And I said
Fly on my sweet angel
Fly on through the sky
Fly on my sweet angel
Tomorrow I'm gonna be by your side

And sure enough, this morning came unto me
Silver wings silhouetted against a child's sunrise
And my angel, she said unto me
Today is the day for you to rise
Take my hand, take my hand and rise
Then she took me high over yonder

And I said
Fly on my sweet angel
Fly on through the sky
Fly on my sweet angel
Forever I will be by your side
