Sometimes you wonder, how much I care  
I get so distracted runnin' nowhere  
And I take for granted our love is secure  
But if I started losin' you, one thing is sure

I'd be down on my knees  
Ready to pray  
Darlin', down on my knees  
Makin' you stay  
I'd be beggin' you please  
Don't take your love from me  
I'd be down on my knees

I learned to be strong a long time ago  
And I can face any wind no matter how hard it blows  
But I'd have to be stronger than I wanna be  
If I had to live without you lovin' me

I'd be down on my knees  
Ready to pray  
Darlin', down on my knees  
Makin' you stay  
I'd be beggin' you please  
Don't take your love from me  
I'd be down on my knees

No one matters more in my life  
Or makes me feel like you make me feel inside  
And I've come far enough to know  
Love's worth never lettin' go of  
And love is not a matter of pride

I'd be down on my knees  
(Down on my knees)  
Ready to pray  
Darlin', down on my knees  
(Down on my knees)  
Whatever it takes  
I'd be beggin' and pleadin' with you  
(Beggin' and pleadin')  
Don't take your love from me  
[Inaudible]

I'd be down on my knees  
(Down on my knees)  
Down on my knees

Hmm  
I'd be down on my knees  
Down on my knees  
Ooo
