Godspeed your souls return  
Deep from these waters  
Straight to the angels arms  
Beyond the sea

How sweet the days gone by  
How sharp the corners  
How blue the canvas sky  
That set you free

And, oh, somehow I know  
We're not apart  
For I still hold your love  
Inside my heart

How soft this light of grace  
Shines through my sorrow  
From some amazing place  
You reach for me

And, oh, somehow I know  
We're not apart  
For I still hold your love  
Inside my heart

Godspeed your souls return  
Deep from these waters  
Straight to the angels arms  
Beyond the sea
