I'll give my heart  
When I hear the sound  
You'll speak my name  
I'll turn around  
To a life I've always known  
To a love that call me home  
I'll give my heart  
And I'll fall so far  
Into this dream of who we are  
And the moment that it's right  
I'll give my heart for the rest of my life  
When I see my sweet start shining...  
I'll give my heart  
And I won't regret  
One cloudy day  
One teardrop she'd  
Every turn on the way  
Brings me close to the day  
I'll give my love  
I'll give my life  
I'll give my all  
I'll give my heart
