I have come from so far away
Down the road of my own mistakes
In the hope you can hear me pray
Oh, Lord keep me in your reach
How I've longed through these wasted years
To outrun all the pain and fear
Turned to stone from my uncried tears
And now it's your grace I seek
Love won't compromise
It's a gift
It's a sacrifice
My soul renewed
My heart released
In you I'll find my peace
Oh wondrous child of whom the angels sing
Know my joy
Feel my suffering
Shining star make this love you bring
So bright that I may believe
That my way will not be lost
From now on, 'til that rivers crossed
My soul renewed
My spirit free
In you I'll find my peace
