What a fool?
Thought I'd wrapped up the case
I went and promised my heart
But you just laughed in my face

What a fall?
Never thought I'd forget you
I gave it all
But I've got no regret

I loved you
I cared
She's so dead

So if by chance you walk my way
And feel the joy and pain of yesterday
You'll never need a reason to pretend

A simple smile is all I ask
The smile you hide behind your painted mask
Somewhere between a stranger and a friend

What a crime, baby?
When you want someone so
I put my heart on the line
But I had to let go, ooo ooo

It's over

So if by chance you walk my way
And feel the joy and pain of yesterday
You'll never need a reason to pretend

A simple smile is all I ask
The smile you hide behind your painted mask
Somewhere between a stranger and a friend

Now, my love
(It's over)

(Ooo, hoo, hoo)
So if by chance you walk my way

(You walk my way)
And feel the joy and pain of yesterday
You'll never need a reason to pretend

No, no, no, no
A simple smile is all I ask
(Is all I ask)
The smile you hide behind your painted mask
Somewhere between a stranger and a friend

You'll never know you've hurt me, baby
(Walk my way)
You'll never know you've hurt me, baby
(Walk my way)
You'll never know you've hurt me, baby
(Walk my way)
You'll never know you've hurt me, baby
(Walk my way)
You'll never know you've hurt me, baby
(Walk my way)
You'll never know you've hurt me, baby
(Walk my way)
(Walk my way)
(Walk my way)
