### "Final Countdown"

Visit "[Final Countdown](#)" on MotoLyrics.com

The D-Devils have now taken over control!  
It's time for the final countdown!

Hahaha!  
Stop the music!  
The game's over...  
You will now have to challenge time...  
And open the gates to a new era.  
An era of unstoppable raves and never-ending beats.

Get ready for the countdown!

10 9 8 7 6 5 4 3 2 1 ZERO!!!

The future is now!!!

The future is now!!!

The D-Devils have now taken over control!

It's time for the final countdown!
