Are You Ready?
Well you think you can tell us what to do?
You think you can tell us what to wear? You think that
you're better?
Well you better get ready.
Bow to the masters.
BREAK IT DOWN!!
We de-generate into something fool.
We just got tired of doing what you told us to do.
Now that's a break boy, yeah.
That's a break little man. Break it down.
De-generation X. De-generation. You can tell me what to
do.
You know who you're talking too?
Well you better get used to the way the ball bounces.

I know what you got, it's measured in ounces.
But that's a break boy, yeah.
That's a break little man.
Break it down. De-generation X.
De-generation. Think your a big man?
HA HA HA Treat you like your a little man.
Yo tell me what it's like to be half a man
It must break your heart just to see what I am, but that's
a break boy, yeah.
That's a break little man. Break it down.
De-generation X. De-generation.
