I used to know a girl who rocked strawberry lips gloss
sweet like a mango
like to wear her jeans low
She was kinda fiesty but still kinda tasty.. Baby
She really blew my mind
Then there was cranberry kery she was good with the
goose
But that got kinda scary so i cut that girl loose..
However
Then two was cool and they did what it do
But i never had a chickita like you
Girl your bananas..
Cause your sweet like cherry pie
And the apple of my eye you are
Girl your bananas
Your like that orange vitamin C
So good for me that i could take 3..
Girl your bananas
You got that peach smooth skin now tell me where
you've been all my life
Girl your bananas
And i cant wait to peel you down
So that i can see whats inside
Bananas
She's Ba.na.na.na.na.na.nas
She's Ba.na.na.na.na.na.nas
She's Ba.na.na.na.na.na.nas
And i cant wait to see whats inside

Was with a girl name apple had her once a day
She definitely kept the doctor away and she
Had the sweetest pair of kiwi green eyes
And juicy lips i couldnt deny
Then there was blueberry julie
She went sour
When she heard that i told all my friends about her
See they was cool and they did what it do
But i never had a chickita like you
