(CHORUS)

Yeah, uh huh. You now what it is. Blue and purple, blue and purple, blue and purple, blue and purple.

Yeah, uh huh. You know what it is. Blue and purple, blue and purple, blue and purple, blue and purple.

Yeah, uh huh. You now what it is.

Errything I do, I do it big.

Yeah, uh huh. Screaming that's nothing.

When I stepped up out my house, that's stuntin'!

Stepped out in my town, when you see me you know everything. Blue and purple, blue and purple, blue and purple, blue and purple.

I put it down for the colours of my city yelling: blue and purple, blue and purple, blue and purple, blue and purple.

Asian boy, chink eyed. Lazy boy, recline. Girls trippin' 'cause they're always gettin' denied.

If you ain't a sweet wife, I'm throwing peace signs.

City reppin' I do more than wear a fitted, homes.

Carry the city on my back everywhere I go.

So lyrical, haters be invisible.

Every show the fist pump, Jersey Shore mini flow. You kill it though, that's what the fans shout.

Raps heavy weight- ASIAN, Pacquiao! These rappers do the things we already done.

Haters could kiss the finger right beside the wedding one.

(CHORUS)

Yeah, uh huh. You now what it is.

Errything I do, I do it big.

Yeah, uh huh. Screaming that's nothing.

When I stepped up out my house, that's stuntin'!

Stepped out in my town, when you see me you know everything. Blue and purple, blue and purple, blue and purple, blue and purple.

I put it down for the colours of my city yelling: blue and purple, blue and purple, blue and purple, blue and purple.

I'm so level, bro. I gotta let 'em know, shades on like

a CSI episode.

Throw in a punch line and watch the fans grow.

I'm versatile lemme hit 'em with a fast flow.

So dope when I'm riding past, in the verse that's where  
you could find me at.

They say I'm kinda hot, they I'm kinda wack.

Homie, you're a PC and I'm a Mac.

Hear the verse they be like, "who's song was that?"

I guess I'm a Wayne Brady type of cat.

Hear roar with the crowd when I touch the town.

I guess that's how you know that Pryde is back!

(CHORUS)

Yeah, uh huh. You now what it is.

Errything I do, I do it big.

Yeah, uh huh. Screaming that's nothing.

When I stepped up out my house, that's stuntin'!

Stepped out in my town, when you see me you know  
everything. Blue and purple, blue and purple, blue and  
purple, blue and purple.

I put it down for the colours of my city yelling: blue  
and purple, blue and purple, blue and purple, blue and  
purple.

They say I might just be the best to go... I'm telling  
haters eat it, like a child and their vegetables.

And my swag's extraterrestriel, cross the border line  
of Brampton, like I'm tryin' to get to Mexico.

Styles loud, high decibels. Tell the DJ spin it and  
they'll see how big the record goes.

Let the fans and all my brethrens know, I'm still  
reppin' for my Asians, my Canadians, my friends and  
bros.

(CHORUS)

Yeah, uh huh. You know what it is.

Yeah, uh huh. You know what it is.

Stepped out in my town, when you see me you know  
everything. Blue and purple, blue and purple, blue and  
purple, blue and purple.

I put it down for the colours of my city yelling: blue  
and purple, blue and purple, blue and purple, blue and  
purple.

Yeah, uh huh. You now what it is.

Errything I do, I do it big.

Yeah, uh huh. Screaming that's nothing.

When I stepped up out my house, that's stuntin'!

Stepped out in my town, when you see me you know  
everything. Blue and purple, blue and purple, blue and  
purple, blue and purple.

I put it down for the colours of my city yelling: blue  
and purple, blue and purple, blue and purple, blue and  
purple.
