Ever since the day you went away
And left me lonely and cold
My life just hasn't been the same
Oh baby no
When I looked into your eyes
The moment that I let you go I just broke down (down)

Baby if I ever get the chance to be with you again I
would sacrifice
'Cause the feelin that I feel within no other man
Would ever make me feel so right

It's nice to smile when I get your phone call at night
But I'd rather have you here with me
Right next to me
And I miss the way you hold me tight

I've got to let you know I feel so weak without your
touch
I never thought that I could ever love a man so much
I've gotta let you know I think that we are destiny
For you I'd cross the world for you
I'd do anything

That's right baby
I'm goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)

That's right baby
Im goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)

Break it down now I'll tell you what I feel
From the moment that I met you it's been so damn real

My heart seems to skip another beat every time we
speak
Can't believe I feel so weak
Tell me that you really need me
And you want me
And you miss me
And you love me
I'm your lady
I'll be around waiting for you
Put it down be the woman for you

I'm falling so deep for you
Crazy over you I'm calling
Callin' out to you
What am I gonna do?
It's true no frontin'
It's you ain't no other
I can no longer go on without you
I just break down (down)

I've got to let you know I feel so weak without your
touch
I never thought that I could ever love a man so much
I've gotta let you know I think that we are destiny
For you I'd cross the world for you
I'd do anything

That's right baby
I'm goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)

That's right baby
I'm goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)
