[Verse 1]

Hello World

this is for the guys that said i get no girls  
this is for the girls that said i had no great looks  
now those same girls wanna add me on facebook,  
saying:"hey Russell i just really really want you to be  
home tonight,  
sorry for saying that you looked ugly with that

overbite".

from talent shows

fly performances

and open mics

im thinking older cats colder than the polar ice

I wanna rap so then Im famous, and my dough is right.

In

a hotel sipping champagne
