My town is on the news
Some guy is spreading the blues
Can't get this girl out of his head
And all the things he should've said
He walks along the shore
With every wave he wants her more
He's tired but he never sleeps
Avoiding everyone he meets
Coz he's so in love
And he's dreaming of her

[Chorus:]

Back in his arms
Were she belongs
His door is always open
His light is always on
Back in the time
When they could see
The future in each other
Their feeling so uncover
Back were they should be

She was all dressed in white
Dancing in the light
When she took his breath away

He has loved her from that day
Now he sits alone
Where their first kiss calls home
Her memory fills the air
With the perfume that she wears

And he's so in love
Always dreaming of her

[chorus:]

Now he doesn't wanna cry
Coz it's something guys don't do
Her love is like the wind
He can feel it, he can see it
He is longing for her

He is so in love
And he's always dreaming of her

[chorus x2]

My town is on the news
Some guy is spreading the blues
Can't get this girl out of his head
And all the things he should've said
