Dear darling
Just writing to say
Been together so long now
That I can't do this face to face
Thoughts of you
Are weighing on my mind
I know it's going to hurt you so bad
But now I gotta say goodbye
I gotta feeling deep inside of me
And it's tearing me apart
From the heart

[Chorus:]

Tell me, how I am supposed to say these words to you
How am I to tell you what we've got is through
Been my best friend for so long
Can't believe that I'm doing you wrong
How am I suppose to go on each day
Seeing you and not knowing what to say
Could have been such an easy thing to do
But the problem is, I still love you
I've been trying so hard
Just wanna make it okay
But I'm not strong enough to tell you
Baby how my feelings have changed
This can't be right coz it feels so wrong
The hardest part of loving you girl
Is knowing that I've got to let go

I gotta feelin deep inside of me
And it's tearing me apart
From the heart

[Chorus:]

Maybe one day I'll find that star
That leads me to where you are
Cause baby I'm losing you
Yeah yeah
Come to a bridge that we can't cross
Sailing an ocean far too far
So from the heart

[Chorus]

[Repeat chorus]
