"Fix Me"

What, what would you do
If i was alone somewhere with you
Would you want to explore
Do something we've
Not done before
Please give into me
I need it more

I need a girl to fix me
Who can't resist me
Does more than kiss me
She turns me on
Who aims to please me
Does more than tease me
If you think that you can fix me
Let's get it on

Do you wake up sometimes
Thinking of things you want to put right
Would, would it be ok
If i was to stay, just for one night
Please give into me
I need it more

I need a girl to fix me
Who can't resist me
Does more than kiss me
She turns me on
Who aims to please me
Does more than tease me
If you think that you can fix me

Let's get it on

I need a girl to fix me
Who can't resist me
Does more than kiss me
She turns me on
Who aims to please me
Does more than tease me
If you think that you can fix me
Let's get it on

Do you feel like playing with fire
I'm burning up with my desire
Now i'm certain I need you to come, come on over

I need a girl to fix me
Who can't resist me
Does more than kiss me
She turns me on
Who aims to please me
Does more than tease me
If you think that you can fix me
Let's get it on
