"Let Me Be The One"

There's no going back
The past is the thousand tears away
The things that we did are done forever
There's no taking back
The words that we always mean to say
But today we non who we were before
Take a chance in the dance
The past can't hold us anymore

[CHORUS]

Let me be the one I know
We could be beautiful in sunset
In the sun, believe me I can't stay on a wrong
Let me be the one don't go
Tell me if you feel it too
And talk to meet someone
So let me be the one

I know the place where only lonely people go
But I made it out and it made me stronger
I see you scared but I see the future take my hand
Understand when I who we were before
Take a chance in the dance
The past can't hold us anymore

[CHORUS]

Now there we found love
We can turn it back and walk away
This time I know
The fault from words

Let me be the one I know
We could be beautiful in sunset
In the sun, believe me
I can't stay on a wrong...
