I do it for the fam cause when it's nobody else who you
gonna turn to
Do it for the fam
I gotta stack my wages close my eyes and always
dream for the greatest
Fam
I know they'll lay it down for me
Do it for the fam
We all can go to destiny
Do it for the fam

Verse

First up off top I thank the man above
Show I walk and listen cause I'm on a mission
I use to run game now I teach game
I'm so amazed by the immortal I can't cheat game
I can't beat game better eat game better peep game
and lock it in your frame
Yessir I be superior focused on the plan headed up
walking round tryna hit that promise land
And I use to chase the paper now I chase the dream
Of the fam riding clean having all the greatest things
And everything in between but staying focused down
on my knees saying lord lock and load us
Promote us to that top spot supernatural hot spot
Lovin him daily on my mind like my new born baby
yearn me

I do it for the fam cause when it's nobody else who you
gonna turn to
Do it for the fam
I gotta stack my wages close my eyes and always
dream for the greatest
Fam
I know they'll lay it down for me
Do it for the fam
We all can go to destiny
Do it for the fam

I'm walking by your side nomore no lesser ever than

The next man believing in my heart is where he sleep

My babies gotta eat so I will never be defeated ima

Walking hand and hand with the eternal watching over

us

Following his plan so I can see what is in store for us

Not really bout more for us but happiness and joy for

us you feel me heal me

I do it for the fam cause when it's nobody else who you
