We came upon this rose  
standing alone  
It fades to black and dies  
This was a sign to me  
I should have known  
It then became so clear  
To find a dying rose  
THAT WE COULD SEE SO RED  
To find it on our own  
It was so hard to break so hard to take  
All alone we stand

Tonight we say goodbye  
Tonight we say goodbye  
Tonight we say goodbye  
Tonight, time to say goodbye

To you, to our love, is this wrong?  
THIS POINT I NEED TO MAKE YOU UNDERSTAND  
THIS MISSION SENT TO ME  
Forever more our trust goes hand in hand  
Tell me how can we move along  
THERE HAS TO BE SOME WAY WE CAN WORK IT OUT  
HOW CAN WE MOVE ALONG?  
believe with me in hope....  
JUST TO SAY IT HURTS  
I will be all alone  
It was so hard to break so hard to take all alone we  
stand  
goodbye
