Perfect is the life of king  
Father said to me  
The life was mine when he died  
Too young to rule an empire  
But father never lied  
Perfect was the life of king  
Ignore my incestuous background  
I was born of God  
Gods don't die, why should I  
I want to live forever  
It's my divine right  
But doubts begin to cloud my mind  
Much has been written about  
Father's immortality  
If he hasn't died, where is he now?  
Save me  
I'm a victim of a mortal life  
I want immortality in the memory of man  
I'm only made of flesh and bone  
I'll eventually die  
Put my name on a body of stone  
And my soul will rise  
Save me  
I'm a victim of a mortal life  
I want immortality in the memory of man  
Build me lasting monuments  
Eternal forms of my name  
Hide my rotting body  
From the claws of decay  
Leave me in my peaceful sleep  
So I can dream of life  
Perfect is the life of king  
Father said to me  
But he didn't tell me life would end
