"Over The Fire"

When you hear the voice inside you
Does it tell you what to do?
Do you take the time to listen?
Do the things he asked of you

Break out of the chains that bind you down
Out of the chains that hold your sound
Satisfy your soul
Go the only way

Out of the darkness of mind
Don't be afraid of your find

So just...

Hold your hand over the fire
Hold your hand over the fire

Now you found a good solution
Now it's time to get it right
Got no time for your excuses
There will be no alibi

Wait, but there's no time to hesitate
There is no time to sit and wait
Got to take a chance
Head the words I say

Out of the darkness of mind
Don't be afraid of your find

Hold your hand over the fire
Hold your hand over the fire
Hold your hand over the fire
Hold your hand over the fire

Out of the dark
Into the light it will shine

You were a clown
Wearing a frown

Life was a circus
That just came to town
But it's all just a lie
And you know why it's a lie

Hold your hand over the fire
Hold your hand over the fire
Hold (hold) your (your) hand (hand) over the fire
Hold (hold) your (your) hand (hand) over the fire
