Travelled from the home so far
A man said he would take them
For a price of everything he has
Promise of some hope and dreams
Beyond your faith not saying
Never saying that your life will be at stake
(Freedom) Where is their home?
Not a country or a place
(Freedom) Never finding it's embrace
(Freedom) Where is their home?
Such a desperate face
(Freedom) Never finding it's embrace (embrace)
Shots heard from the ridge upon the hill
Take you child and run now
Take them to a place where you can hide
Offers of hope asylum they provide
But no promise of a means to help survive
(Freedom) Where is their home?
Not a country or a place
(Freedom) Never finding it's embrace
(Freedom) Where is their home?
Such a desperate face
(Freedom) Never finding it's embrace
When can a person who is sleeping in the streets
Take back a part of their life from a time when they
were complete
(Freedom) Where is their home?
Not a country or a place
(Freedom) Never finding it's embrace
(Freedom) Where is their home?
Such a desperate face
(Freedom) Never finding it's embrace
(Freedom) where is their home?
Not a country or a place
(Freedom) Never finding it's embrace
(Freedom) where is their home?
Such a desperate face
(Freedom) Never finding it's embrace
