I know there's something in the wake of your smile

I get a notion from the look in your eyes, yeah

you've built a love but that love falls apart

your little piece of heaven turns too dark

listen to your heart

when he's calling for you

listen to your heart

there's nothing else you can do

I don't know where you're going

and I don't know why

but listen to your heart

before you tell him goodbye

sometimes you wonder if this fight is worthwhile

the precious moments are all lost in the tide, yeah

they're swept away and nothing is what it seems

the feeling of belonging to your dreams

listen to your heart

when he's calling for you

listen to your heart

there's nothing else you can do

I don't know where you're going

and I don't know why  
but listen to your heart  
before you tell him goodbye  
and there are voices  
that want to be heard  
so much to mention  
but you can't find the words  
the scent of magic  
the beauty that's been  
when love was wilder than the wind  
listen to your heart  
when he's calling for you  
listen to your heart  
there's nothing else you can do  
I don't know where you're going  
and I don't know why  
but listen to your heart  
before you tell him goodbye  
Listen to your heart....mm..mmm  
I don't know where you're going  
and I don't know why  
but listen to your heart  
before you tell him goodbye
