All the things you have to do
To prove your love is true
Is to treat me like a fantasy
And I'll give my love too you

What I want you this time
That will last me all my life
Cause I know you are the one for me
And I hope to keep you mine

All the things you have to do
To prove your love is true
Is to treat me like a fantasy
And I'll give my love too you

What I want you this time
That will last me all my life
Cause I know you are the one for me
And I hope to keep you mine

All the things you have to do

Is to treat me like a fantasy

What I want you this time

Cause I know you are the one for me

Cause I know you are the one for me
And I hope to keep you mine

All the things you have to do
To prove your love is true
Is to treat me like a fantasy
And I'll give my love too you

What I want you this time
That will last me all my life
Cause I know you are the one for me
And I hope to keep you mine

All the things you have to do

Is to treat me like a fantasy

What I want you this time

Cause I know you are the one for me

Cause I know you are the one for me
And I hope to keep you mine
