I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone

I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone

Someone, someone, someone, someone  
Someone, someone, someone, someone  
Someone, someone

Someone, someone, someone  
Someone, someone, someone

I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone

I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone  
I wish I was your someone, I wish I was your someone

Someone, someone, someone, someone  
Someone, someone, someone, someone  
Someone, someone, someone
